General Description: Uplift your washroom experience with the trusted and familiar Kleenex® brand, designed to deliver an unrivalled experience whilst supporting high hygiene standards in the workplace. Kleenex® rolled hand towels deliver the best of Kimberly-Clark Professional™ global quality and innovation, proudly made in South Africa. For home-like comfort from one of the world's most loved brands, choose Kleenex® rolled hand towels, for a seamless hand drying experience in premium washrooms. Show you care with South Africa's most loved roller towel, voted best paper towel in all user test categories: best looking, best drying, softest, strongest and highest quality. These soft, strong and highly absorbent paper towel rolls are ideal for frequent use in hygiene critical environments, allowing people to feel clean and fresh after drying hands. Preferred by twice as many users than the nearest competitor, the gentle Kleenex® brand embossed hand towels are kind to hands to actively encourage hand hygiene compliance without irritating the skin. FSC certified, Kleenex® rolled hand towels offer reliable performance, are made from 100% recycled fibres and the packaging includes 30% recycled material. These Kimberly-Clark™ hand towels are compatible with the sleek, contemporary Aquarius™ rolled paper towel dispenser in white (code 6959) and Aquarius™ Slimroll™ Rolled Hand Towel Dispenser (code 6953). Each towel dispenser is made with rounded edges making it easy to clean with just one cloth and delivers hand towels without the need to touch the dispenser helping to reduce the risk of contamination and the spread of germs. Efficiency is not compromised with Kleenex® paper towel rolls with controlled one-sheet dispensing leading to reduced wastage and costs. The innovative never-run-out replacement roll feature (stub roll) in the compatible Kimberly-Clark Professional™ hand towels dispenser also allows you to place a replacement roll in the system before the original roll has finished, ensuring a smooth transition between roller towels to minimise waste and ensure there are no gaps in your user's ability to maintain hygiene standards.
