**General Description:** Uplift your washroom experience with the trusted and familiar Kleenex® brand, designed to deliver an unrivalled experience whilst supporting high hygiene standards in the workplace. Kleenex® large interfold hand towels are the preferred large paper hand towels for home-like comfort and unrivalled care in exclusive washrooms. The soft and gentle 2 ply paper towels help to show users that you care, while the Airflex™ Technology embedded in every disposable hand towel supports effective and efficient hand drying and supports high washroom hygiene standards. Interfold paper towels, or V fold hand towels as they are also known, are designed to dispense one paper hand towel at a time. This single sheet dispensing method is designed to improve hand hygiene by minimising the risk of contamination when hand drying as the user only touches the sheet they're using. Dispensing one paper towel at a time is also designed to improve cost in use as the user only takes the hand towels they need when drying hands. Our touch free dispensers reduce the risk of cross contamination. These hand towels feature compression technology for increased sustainability through reduced storage and transportation. Compatible with a variety of Kimberly-Clark paper towel dispenser options: Aquarius™ dispensers in white or black (product codes 6945 and 7171), a high capacity dispenser (code 9962) and a high image stainless steel dispenser (code 8971). FSC and European Ecolabel certified for environmental assurance. Food contact certified. One clip of Kleenex® large paper towels contains 124 V fold hand towels.
