

PRODUCT DATA SHEET

MULTI GUARD® BIO CITRUS

Revision date: 05/11/2021

Page 1 of 2

1. General Description

- Multi Guard Bio Citrus is a multipurpose product that is used for cleaning, disinfecting of surfaces and deodorising with a great citrus fragrance.
- Multi Guard has a neutral pH that allows for cleaning on many surfaces including sensitive surfaces.
- Multi Guard is a cleaner disinfectant and should not be used solely as a disinfectant.

2. Advantages and Features

- Maxidet Bio Citrus is more environmentally friendly as it contains plant extracts and is fully bio-degradable.
- Multi Guard Bio Citrus is a 3 in 1 product
- Multi Guard Bio Citrus is 100% bio-degradable.
- Multi Guard is a registered disinfectant with the NRCS (National Regulator for Compulsory Specifications).
Registration number: NRCS/8054/203806/661

national regulator for
compulsory specifications

3. Application

- Above the floor surfaces: Damp wiping using a spray bottle application with microfiber cloth.
- Floors: Wet mopping with a microfiber mop and bucket system.
- If used for intensive cleaning, rinsing is required after use.
- Multi Guard Bio Citrus must be diluted with water to be effective.
- Multi Guard Bio Citrus requires a minimum of 10 minutes contact time on the surface for the disinfectant action to be effective.
