

# Tork SmartOne® (T8) and Tork SmartOne Mini (T9) Toilet Paper

Tork is committed to developing innovative and sustainable hygiene solutions that are better for business, people and the planet.

## Focus4 sustainability product benefits

### Materials & packaging

- EU Ecolabel certified refills – reduced environmental impact across the product life cycle.
- FSC®-certified refills – made from responsibly sourced fibre
- Most of the plastic packaging for refills are made from at least 30% post-consumer recycled plastic (rest to come by end of 2025). (1)

### Use & waste

- Tork SmartOne reduces toilet paper consumption by up to 40% (6)
- Reduces consumption by up to 40% which leads to less packaging waste (8)
- Twin dispenser helps to minimise stub-roll waste.

### Carbon

- Carbon-neutral-certified dispensers – produced with certified renewable electricity and compensated with climate projects. (2)

### Hygiene for all

- Tork Easy Handling® ergonomic packaging for easier carrying, opening and disposal.
- Easy to access and to take toilet paper with just one hand - helpful for care-givers giving assistance to someone else
