MOP – 400g MEGA MOP

Revision date: 12.08.2025

Page 1 of 1

**General Description**

Introducing the **Prime Cleaning Suppliers Mega Mop**, a powerful and economical cleaning tool designed to meet the rigorous demands of commercial cleaning. This complete mop unit features a robust **400-gram cotton head**, delivering superior absorbency and scrubbing power to tackle tough messes on any hard floor surface. The high-quality cotton strands are securely attached to a durable **25mm metal socket**, ensuring a reliable connection that won't fail under heavy use. Paired with a resilient, **varnished wooden handle**, this Mega Mop offers enhanced durability and a comfortable grip for extended cleaning tasks. While exceptionally priced for high-volume use, the Mega Mop doesn't compromise on performance. Its heavy-duty construction makes it a go-to choice for janitorial services, office maintenance teams, and cleaning service providers who need a dependable and long-lasting tool. From schools to restaurants and beyond, trust the Mega Mop to deliver professional-grade results every time. It's the perfect blend of Prime Cleaning Suppliers' commitment to quality, value, and practicality for the cleaning professional.
