METHODS
finder

PROPERTIES

- Practical, thorough, hygienic and extremely economical for dust-binding mopping of all smooth floor coverings
- Ideal for removing dust from all smooth surfaces and floors
- Thanks to the impregnation of the viscose cloths with oil, dust, dirt and germs are bound in the cloth
- for large surfaces
- cradle to cradle certified
- , dirt and germs are bound in the cloth
- for large surfaces
- cradle to cradle and FIGR certified

USE

On all smooth floors and surfaces.

METHOD

Dust-binding mopping

GOOD TO KNOW

- the impregnation oil is encapsulated in the fibres of the cloth, which prevents it from drying out before use
- stretch the cloth before use to activate
- the encapsulated oil is released and coalesces with the cloth
- the cleaned surface displays no residual oil film

TECHNICAL DATA

Designed for	Balit with pad sole
Dimensions	61 x 30 cm / 61 x 67 cm / 61 x 96 cm
Weight (g/m²)	53
Material	60% viscose, 23% vinyl, 17% oil
Colors	Yellow
