**POT SCOURER**

Page 1 of 1

**General Description**

Prime Cleaning Suppliers offers robust steel pot scourers, designed for the most demanding scrubbing tasks in commercial and industrial kitchens.

Crafted from durable stainless steel, these highly abrasive scourers effortlessly cut through burnt-on food, grease, and heavy carbon deposits on pots, pans, and grills. Ideal for rigorous daily use, our steel pot scourers provide powerful cleaning performance, ensuring your cookware and kitchen surfaces remain impeccably clean.
