**General Description**

Prime Cleaning Suppliers offers the innovative Ambo Visa Versa window cleaning tool, a versatile all-in-one solution for unparalleled efficiency.

This ingenious device combines a washer T-bar and a professional squeegee into a single unit, allowing you to seamlessly wash and wipe windows with a simple flip. Ideal for both hand-held use and attachment to telescopic poles, it significantly reduces tool changes and increases productivity. Achieve streak-free brilliance on glass surfaces with maximum speed and convenience, making it indispensable for any professional window cleaner.
