Mutton Cloth – 400g

Page 1 of 1

General Description

Prime Cleaning Suppliers offers premium Kitchen Mutton Cloth, an indispensable tool for versatile cleaning in any commercial or industrial kitchen. Highly absorbent and exceptionally durable, our mutton cloth is ideal for general wiping, polishing, drying surfaces, and tackling spills.

Prime tip: For best results, rinse thoroughly after each use and allow to air dry. This extends the cloth's life and maintains its effectiveness. It's also great for streak-free finishes on stainless steel, ensuring a spotless kitchen.
