

**PRODUCT DATA SHEET**

**NITRILE GLOVES GREEN**

Revision date: 15.08.2025

Page 1 of 1

**General Description**

**Prime Cleaning Suppliers offers Nitrile Green Gloves**, providing superior hand protection and hygiene for a wide array of commercial and industrial tasks. Crafted from durable nitrile, these gloves offer excellent resistance to punctures, tears, and various chemicals, making them ideal for rigorous cleaning, food handling, and general maintenance. The distinct green colour often aids in colour-coding systems, enhancing cross-contamination prevention in sensitive environments. Latex-free for allergy safety and designed for comfort, our nitrile gloves ensure reliable grip and performance, promoting both worker safety and impeccable cleanliness.

ITEM	SPECIFICATIONS
