

**PRODUCT DATA SHEET**

**HAND PAD SCOURERS**

Revision date: 15.08.2025

Page 1 of 1

**General Description**

Our **multi-coloured hand pad scourers** offer a versatile and hygienic solution for diverse cleaning tasks across your commercial or industrial facility. The distinct colours enable effective **colour-coding**, preventing cross-contamination between different areas like kitchens, restrooms, or general surfaces. These durable pads provide excellent abrasive power for stubborn dirt while supporting strict hygiene protocols, making them an indispensable tool for efficient and safe cleaning.
