

PRODUCT DATA SHEET

FLOOR PADS

Revision date: 15.08.2025

Page 1 of 1

General Description

Floor Pads are designed to be used with single disc or scrubber drier machines. Floor Pads are available in a variety of abrasive strengths and suitable for tasks such as floor polishing or deep scrubbing. Choose the correct pad to suite your cleaning needs. For more information, speak to your Prime sales consultant. Black Pad - Heavy duty scrubbing or for use with a stripper cleaning chemical for removing polymer sealer. (Strip and Seal Method). Blue Pad - Light Stripping or Scrubbing. Red Pad - Daily Maintenance Cleaning or buffing. Can be used in either spray cleaning or spray buffing methods. White Pads - Polishing and delicate floor cleaning.
