Revision date: 15.08.2025	<b>LONG HANDLED SCOOP</b>	Page 1 of 1
---------------------------	---------------------------	-------------

**General Description**

Prime Cleaning Suppliers offers the Long Handled Scoop, an ideal companion for long-handled dust brushes, designed to streamline debris collection in commercial and industrial settings. This ergonomic scoop features an extended handle and a wide-mouth design with a precise lip, allowing for effortless collection of dust and debris without bending. It significantly reduces back strain and enhances cleaning efficiency, especially in large areas like shopping malls or offices. Promote hygiene and worker comfort with this convenient tool, ensuring quick, tidy clean-ups with minimal effort.
