---------------------------	------------------------------------	-------------

General Description

Prime Cleaning Suppliers offers the Toilet Seat Wiper Dispenser, a sleek and indispensable addition to any modern commercial or public washroom committed to user hygiene. This compact, wall-mounted unit is specifically designed to house and provide easy access to individual toilet seat wipers within each cubicle, encouraging enhanced personal cleanliness before use.

Crafted for durability and ease of maintenance, the dispenser ensures a consistent supply of wipers while minimizing waste. By integrating this dispenser, facilities offer a visible commitment to user comfort and germ prevention, significantly improving the overall perception of cleanliness. It's a discreet yet highly effective solution for promoting superior hygiene standards in high-traffic environments.
