SANI BIN 19L

Page 1 of 1

General Description

Prime Cleaning Suppliers offers the Sani Bin 19 Litre, a perfectly sized and hygienic solution for discreet feminine sanitary waste disposal in commercial, industrial, and public washrooms. With its practical 19-litre capacity, this sani bin is ideally suited for medium-traffic environments, balancing efficient waste collection with space optimization and reducing the frequency of servicing.

Designed for discreet and user-friendly operation, these bins often feature a pedal-operated, touch-free mechanism to enhance cleanliness and privacy. Their robust construction ensures durability, while a smooth, easy-to-clean surface simplifies maintenance. Integrating our 19-litre Sani Bins demonstrates a clear commitment to user comfort, prevents costly plumbing blockages, and ensures compliance with critical health and safety regulations.
