1. General Description

- Perlé Foam is a high foaming hand soap for use in soap dispensers.
- Although concentrated it is soft and gentle on your skin.
- It is suitable for use as both a hand soap and personal soap product.

2. Advantages and Features

- Perlé Foam is cost effective as the foam consistency allows for air content in the dispensing and reduces the amount of product used in a hand wash.
- Perlé Foam has a mild fragrance that leaves hands smelling fresh.
- Perlé Foam contains a moisturiser that leaves the hands feeling soft.

3. Application

- Perlé Foam will only create a foam consistency if used with foaming nozzle. If you are not getting the correct consistency, please contact your nearest branch of Prime Cleaning Suppliers for assistance.
- Dispense 5ml of soap into the hand, wash thoroughly and rinse well after washing.

4. Product Technical Information

- Main ingredient actions:
 - Surfactants, solubilises – Dirt lifting action and allowing for effective dilution with water
- Available in:
 - 5-litre container
- Ready to use (Product can be used without prior diluting)
